Discipline in Bambino

Discipline of children remains the primary task of their parents. Parents' attention is drawn to the way children are disciplined and punishable for violations of rules.

Communication Means

We communicate through a mailbox system. Letters are placed in the mailboxes. It is your responsibility to take the letter. Also, communication through a daily file for a class, it will always be available at the office. There you can see what food was served and what the day has offered to your children. If you need to bring anything with you, it will be recorded for you. Bambino does not approve Whatsapp groups.

We create "whatsapp" groups per class that are used only for class. Emails are also sent to parents.

Hair Infection:

The toddlers' hair is checked every Monday to prevent hair infections. You will be notified immediately to pick up your child and can only be returned once the hair is treated and cleaned.

Illnesses

Children with contagious diseases are not allowed until the infectious period is over.

All medicines must be recorded in the medicine book and your signature must be provided as required by law. We cannot administer medication at all if it is not recorded.
